TUESDAY, : : : NOV. 16, 1880 MOVE IN THE RIGHT DIRECTION. attention of the reader, and especially bers elect to the next Tennessee legisiature, is earnestly called to the correspondence published in another column between William C. Oates and United States Senator John T. Morgan, of Alabama. The subject not only the people of Alabama but those of American Missionaries in Danger ject is one of vital importance. The legislature of Alabama, now in session, will no doubt change the time of holding the State the result shows that the object contem-

nessee and the whole country. The sub-Persia-Interesting Debate in the and county elections from August to Novemer, and we hope Tennessee will make the same wise change. Elections, at best, are CAPE Town, November 15.—The rebels attacked a small force of Cape troops occupying the Basuto Chief Lerothdi's village, and the troops cessary evils, and should be as few and far between as possible. The holding of two cople in a fever of excitement for six ENGLAND.

LONDON, November 15.—John Bright has been elected lord rector of the University of Glasgow, defeating John Ruskin by 314 votes. hs, to the neglect of their material busiinterests. In Tennessee the State and national politics, with the view securing the election of upright, comtent judges and efficient county officers;

Tarians to the orthodox faith. tent judges and efficient county officers; plated has failed, as there was more political ment in this county pending the Auust elections than there was in the Presior Shelby county officials had been held on MADRID, November 15.—At a large free-trade meeting here a demand was made for the re-duction of the customs tariff, with a view of ob-taining concessions from other countries.

The arrival of French monks at Alicante and Bar-relous caused a hostile popular demonstration.

They were compelled to re-embark from the latter this county and congressional district, as vocating a change of our county elections place rom August to November, the APPEAL is not the part of wisdom and economy to have as law of them as possible, so as to avoid the ent, trouble and expense. time decided to make the Presidential a seven years and the incumbent afterd incligible. It is to be regretted that original plan was abandoned. Many are reseed with the belief that an election of sort is a harvest to the newspapers, when ward ineligible. It is to be regretted that the original plan was abandoned. Many are any sort is a harvest to the newspapers, when me imposes new labors upon the editor, who od citizen must see and feel and know that much in politics and in too many elections for its own good. Every four years there is

TEHERAN, November 15.—Two thousand bodies are now lying unburied in Soujholak. The teath of the Pensian commander in chief is conexpected to defend and to commend the miness without thanks or reward. Every and citizen must see and feel and know that country is engaging altogether too ch in politics and in too many elections its own good. Every four years there is a general election, the preparation for which PARIS, November 15 .- In the chamber of requires no less than six months. Every two years there is a general State election for members of congress, and local elections are sandwiched between these. There is no year and the congress than the sandwiched between these. There is no year and the congress than the sandwiched between these. There is no year and the congress than the confliction of the confliction of the congress than six months. Every deputies saturday Chevreau, Bonapartist, complaint of their treatment by the managers of complaint of their requires no less than six months. Every These frequent elections are vive after a long and disastrous collapse, and the long and anxiously waited-for prosperity had just begun to dawn. The injury which

with results that will surprise and astonish even those who are familiar with the undeveloped resources of Arkansas, Louisiana, Texas and New Mexico. Any development of trade and commercial intercourse with neighboring republic must eventually center on the Missianpi river; and Memphis, are pushing their line and the owners of the Topeka and Santa Feralinoad, which will one day find its eastern terminus at Memphis, are pushing their line terminus at Memphis, are pushing the missing the missing the missing the missing the magnetation of the pushin and not as the trade the missing term and Memphis and New Mexico. Any development to find, a State courts of the late the term and Memphis and New Mexico. Any development the meturn is better than last year, the three is a great decline. In Kansas and Kensas and Kensas and Membassa the missingers at the interministic terms as a missinger and have made them the terminus at the entermission of the pushin and not a missingers and the missingers and the missinger

se favorably situated as a distributing point, must be favored with a very large share of it. Already New Orleans is putting forth her hands to initiate the work of developing the best of the control of the work of developing the best of the control of the work of developing the best of the control of the work of developing the best of the state of the control of the work and the owners of the Topecks and State is not advised by dangerous it is to infringe the training and the owners of the Topecks and State is not advised by dangerous it is to infringe the training of the Mongellans prefendence in about the same fer railinead, which will one day find its eastern terminus at Memphis, are pushing their in the work of the training and the owners of the Topecks and State is not advised by dangerous it is to infringe the training of the Mongellans prefendence in about the same fer railinead to the state of the training and the owners of the Topecks and State is not advised by dangerous it is to infringe the training of the Mongellans prefendence in about the same fer railinead to the foot and the state of the training and the country. We are successfully the country of the training of the Mongellans prefendence in about the same fer railinead to the foot frank prediction of the training and far raining and to the Rio Grande, perhaps in the angillowing the training of the Missouri, Kanssa and Topeks railroad, where another subhisty grand a waits in the substitute of the state of the state is not advised the Rio Grande, perhaps in the angillowing the training of the Mongellans preference of the distinguished company brought together to meet General Grand, contemplates the rapid state has a preference of the distinguished company brought together to meet General Grand, contemplates the rapid state has a preference of the distinguished company brought together to meet General Grand, contemplates the rapid state has a preference of the distinguished company brought together to meet General Grand, contendence of the dist are the most prevatent, dangerous, and faint affections that afflet mankind, and so varied and insidious in their character, that persons often suffer for a long time before knowing what alls them. The most characteristic symptoms are a gradual wasting away of the whole body; pain in the back, side or loins; a weak, feeble, exhausted feeling loss of appetite and dread of exercise; scanty and painful discharge of variously colored urine; insbility to retain or expet the urine; minute shreds or casts in the urine; and, when the disease is of long duration, there is much emaciation and general nervous prostration. THE ONLY CURE. We say positively, and without fear of contradiction, that DAY'S KIDNEY 'PAD is the first and only infalluble cure for every form of Kidney disease. It is the best remedy yet discovered for this complaint, and more effectual in its operation than any other treatment. By using faithfully and persistently no case will be found so inveterate as not to yield to its powerful remedial visiting.

IS STRONGLY INDORSED.

We have the most unequivocal testimony to its curative powers from many persons of high character, intelligence and responsibility. Our book, "How a Life Was Saved," giving the history of this new discovery and a large record of most remarkable cures sent free. Write for it.
